Dear President Lederberg:

I want to express my gratitude again for the time you were able to give me last week. I learned a lot from our brief meeting, and I am pleased that I had a chance to talk with you.

I think that I understand your point of view, and I know that it is an opinion that I ought to take seriously. I intend to do so.

Again, my warm thanks to you for your kindness in giving me some of your time.

Warm regards.

Sincerely yours,

Stephen R. Graubard
